Luncheon & Reception Committee  
Mary Czyszczak-Lyne, Chair

The Luncheon and Reception Committee planned an in-person fall reception at Gordon Conference and Event Center, unfortunately due to low registrations, we canceled the event.

The committee hosted an in-person member reception along with the Annual Meeting held on May 18, 2023 at the UW-Arboretum. Our invited speaker was Charlie Hoslet, Vice Chancellor for University Relations. We had a successful event.

Additionally, the committee reaffirmed reducing the number of events held during the year. The idea of a fall member reception was well received and it is the committee's desire to hold member receptions as we move forward. We will continue to hold the Annual Meeting as noted in the UWRA bylaws.

Regrettably, we have several members stepping down: Ruthi Duval, Ramona Gasper, Judith Louer, Christine Schindler, and Mary Czyszczak-Lyne. We thank you for your service.

The Luncheon and Reception Committee members for 2022 are Mary Czyszczak-Lyne (Chair), Ruthi Duval, Marc Fink, Ramona Gasper, Judith Louer, Sarah Potts, Barb Wiley, and Sandi Haase, executive Director. Marc Fink serves as the UWRA board liaison.
