2021-22 Report
Luncheons & Receptions
Committee
Mary Czyszczak-Lyne, Chair

The Luncheon Committee along with the Membership Committee hosted a member reception on October 20, 2021 at Carson Gulley-Upper. A graduate student quartet performed during the reception.

The committee planned the Annual Meeting held on May 18, 2022 at the Wisconsin Union - Tripp Commons. Mark Guthier, Executive Director of the Wisconsin Union and Associate Vice Chancellor for Student Affairs, spoke and answered questions. Arrangements were made for a “behind the scenes” tours of Memorial Union and the Alumni Park.

Additionally, the committee reaffirmed reducing the number of events held during the year. The idea of a fall member reception was well received and it is the committee’s desire to hold member receptions as we move forward. We will continue to hold the Annual Meeting as noted in the UWRA bylaws.

The committee also revised the UWRA Luncheon operations procedures. The new name is Luncheons and Receptions Committee.

The Luncheon and Reception Committee members are: Mary Czyszczak-Lyne (Chair), Ruthi Duval, Marc Fink, Ramona Gasper, Judith Louer, Sarah Potts, Christine Schindler, Barb Wiley, and Sandi Haase, Executive Director. Marc Fink serves as the UWRA board liaison.
